# FIFA Accreditation System Manual for Appointed Approvers (AA)

## 1. Introduction

This FIFA Accreditation System Manual for Appointed Approvers (AAs) is a generic manual, applicable to all FIFA client groups and different FIFA tournaments and events.

Therefore, the screenshots may show information that is not tailored to your client group or tournament/event.

**It is highly recommended that you familiarise yourself with this manual, which explains all the tasks and steps required to successfully manage accreditation requests.**

If you require any help, contact [accreditation.fwc26@fifa.org](mailto:accreditation.fwc26@fifa.org).

## 2. Role of the Appointed Approver

As an Appointed Approver (AA), it is your task:

- to identify organisations to be accredited;
- to provide details of organisation(s) and ALO(s) to FIFA/LOC Accreditation in the ALO user account request form;
- to agree on quotas and timelines (for applications, approvals and distribution) with the Accreditation Liaison Officer (ALO) and with FIFA/Local Organising Committee (LOC) Accreditation;
- to monitor applications;
- to request a shortlist/staffing plan from the ALO(s) and pre-approve or reject accreditation requests accordingly;
- to send approval communications (depending on the accreditation concept for the tournament/event); and
- to communicate any changes in privileges, functions, subcategories and categories to FIFA/LOC Accreditation.

### **During accreditation centre operations:**

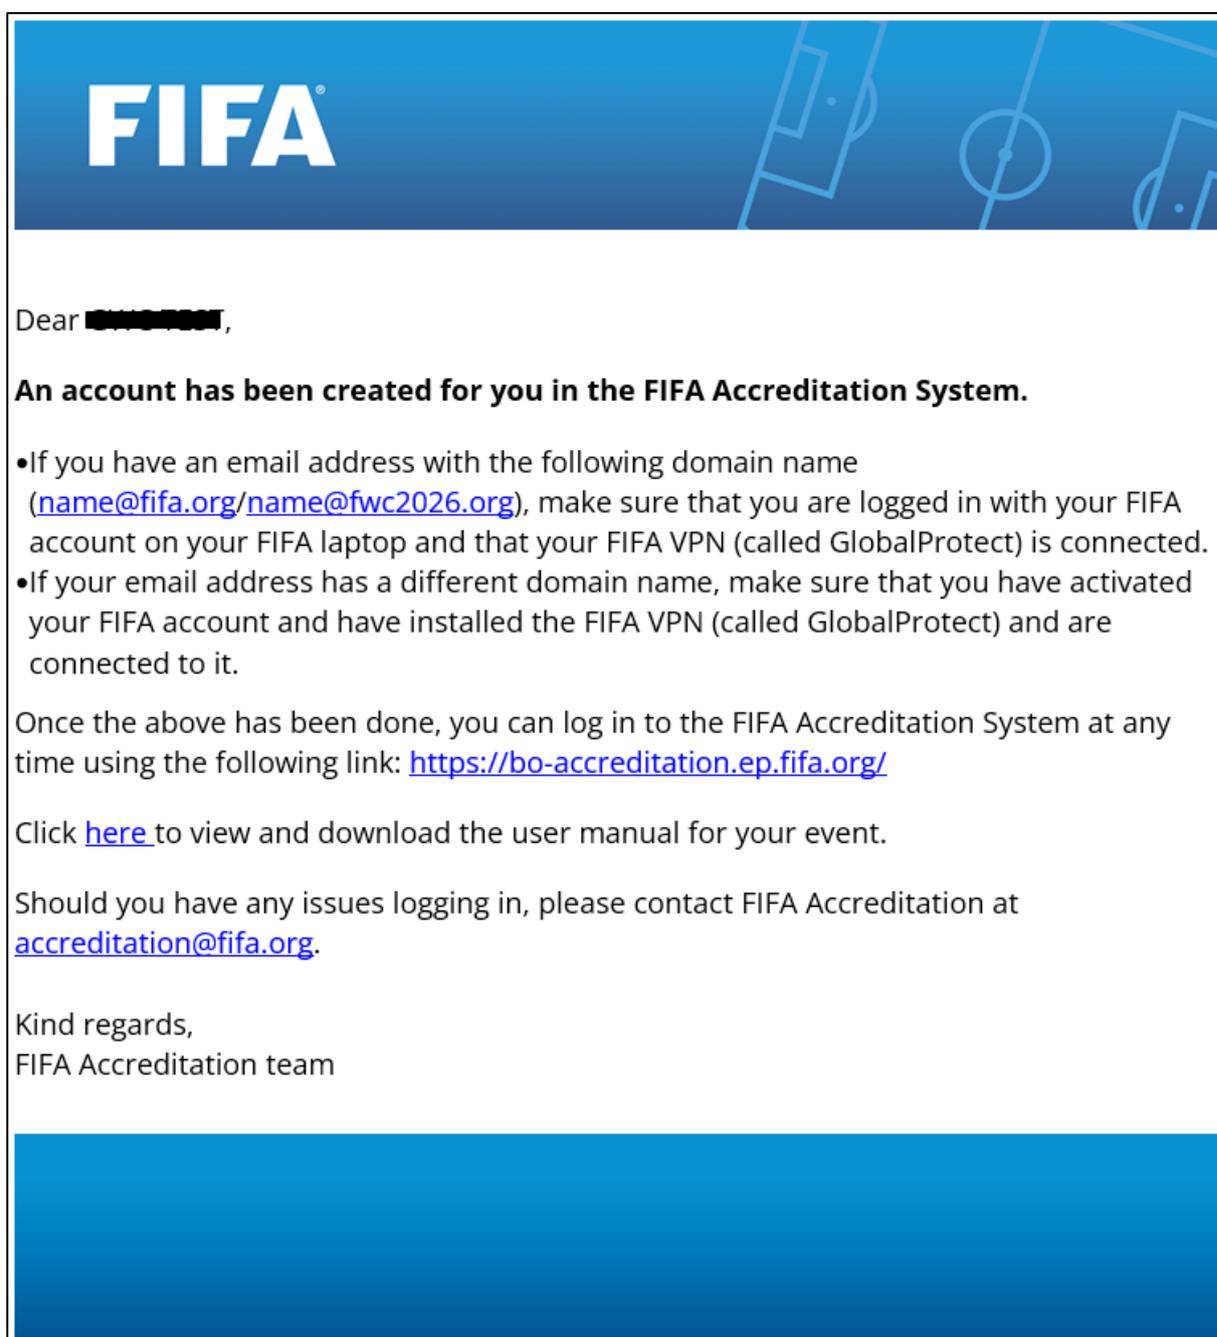

- to be available to the FIFA/LOC Accreditation team for problem resolution:
  - Approval of requests
  - Change management

## 3. Accessing the FIFA Accreditation System

### 3.1 Login

As an AA, you have received a system-generated invitation email from [no-reply@acr.fifa.org](mailto:no-reply@acr.fifa.org) inviting you to activate your account in the FIFA Accreditation System. This email contains the link to the system and your username (login).

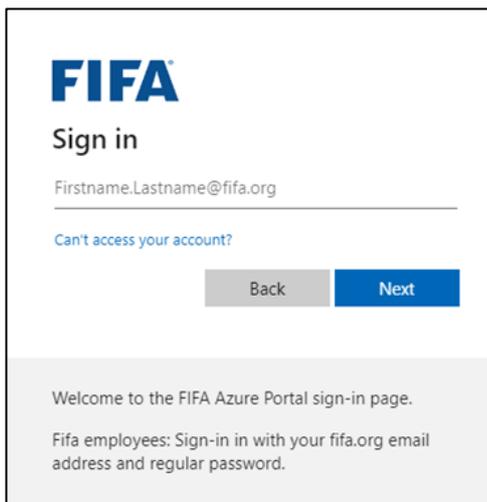

Before starting, it is highly recommended that you familiarise yourself with this manual, which explains all the tasks and steps required to successfully manage accreditation requests.

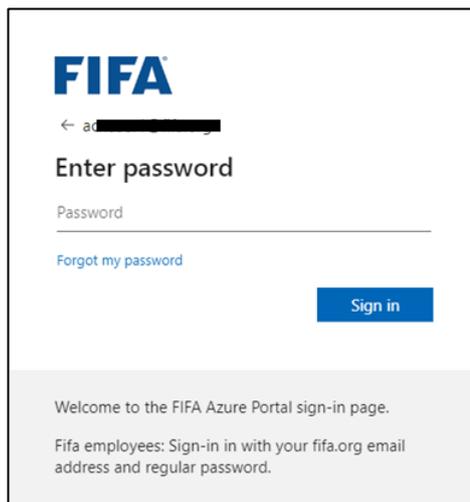

Once your FIFA account has been activated, you can log in to your FIFA Accreditation System AA account at any time. It is recommended that you bookmark the FIFA Accreditation System URL for easy access: <https://bo-accreditation.ep.fifa.org/>.

### The system works best with Google Chrome.

Enter your username (which is your email address that was used to receive the invitation email) and your password (generated by you) and click the “Sign in” button to access your account.

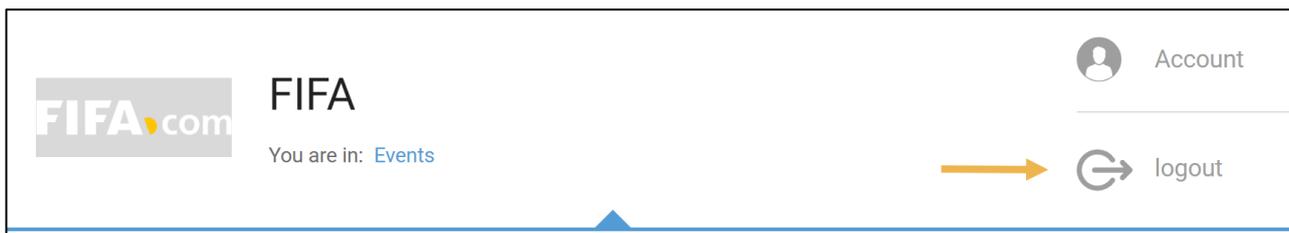

The screenshot shows the FIFA Sign in page. At the top left is the FIFA logo. Below it is the text "Sign in". There is a text input field with the placeholder "Firstname.Lastname@fifa.org". Below the input field is a link that says "Can't access your account?". At the bottom of the form are two buttons: "Back" and "Next". At the bottom of the page, there is a footer area with the text: "Welcome to the FIFA Azure Portal sign-in page. Fifa employees: Sign-in in with your fifa.org email address and regular password."

The screenshot shows the FIFA Enter password page. At the top left is the FIFA logo. Below it is a back arrow and a partially obscured email address. The main heading is "Enter password". There is a text input field for the password. Below the input field is a link that says "Forgot my password?". At the bottom right of the form is a blue "Sign in" button. At the bottom of the page, there is a footer area with the text: "Welcome to the FIFA Azure Portal sign-in page. Fifa employees: Sign-in in with your fifa.org email address and regular password."

## 3.2 Logout

Click on the “logout” button in the top right of your screen to log out from your account.

The screenshot shows the top right corner of the FIFA user interface. On the left, there is the FIFA.com logo and the text "FIFA" and "You are in: Events". On the right, there is a user profile icon with the text "Account" next to it. Below the profile icon is a "logout" button with a circular arrow icon. A yellow arrow points from the "logout" button towards the left.

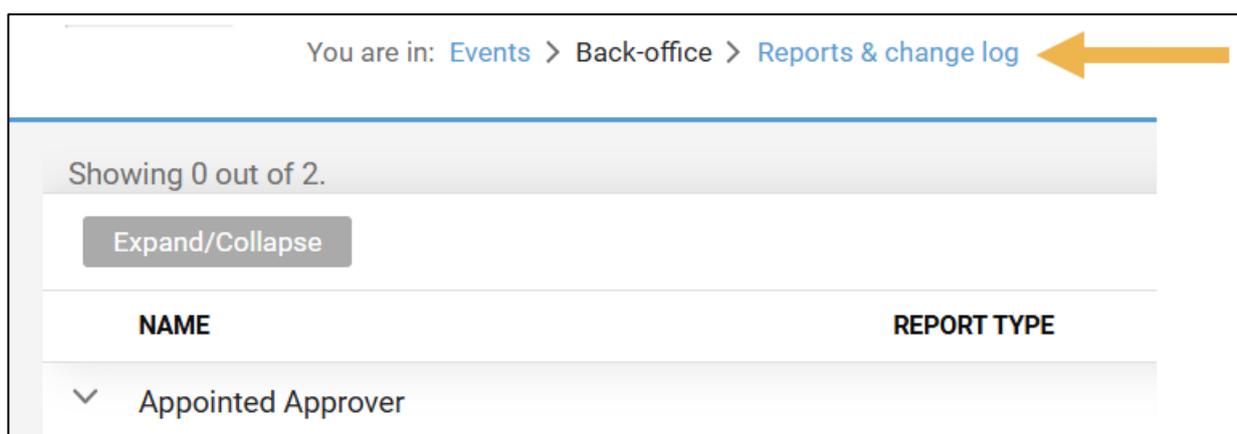

The screenshot shows a message box with the text: "You have successfully logged out from the application".

## 4. AA reports

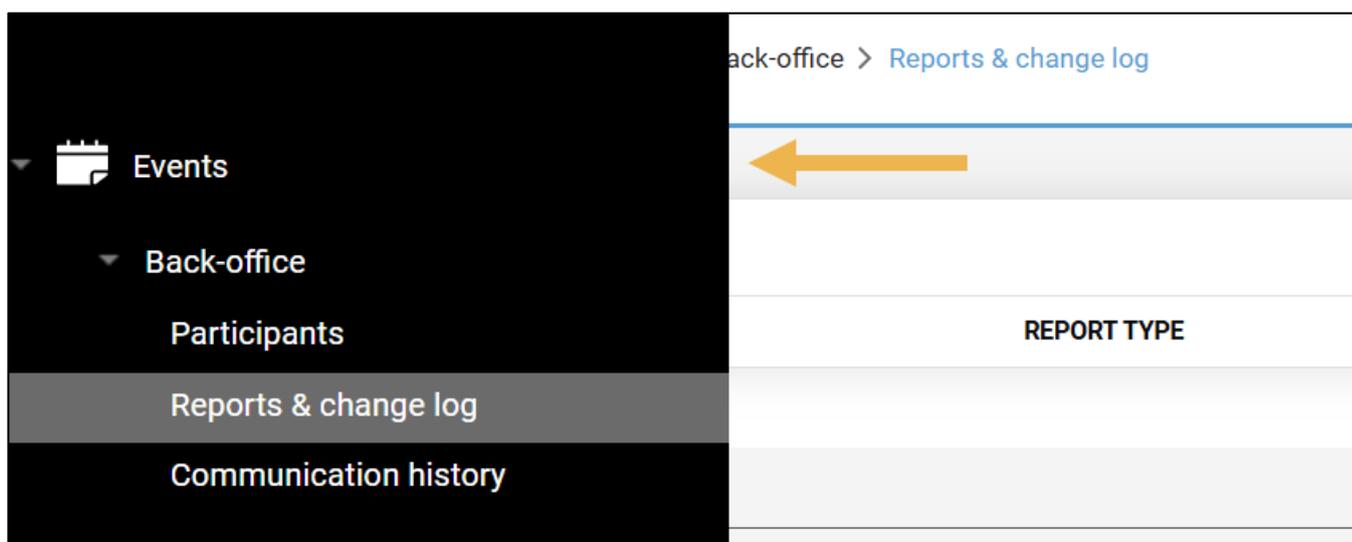

### 4.1 AA account orientation

After successfully logging in to the FIFA Accreditation System, you will be directed to the “Reports & change log” landing page.

### 4.2 Menu

Click on the black bar on the left-hand side to see the menu:

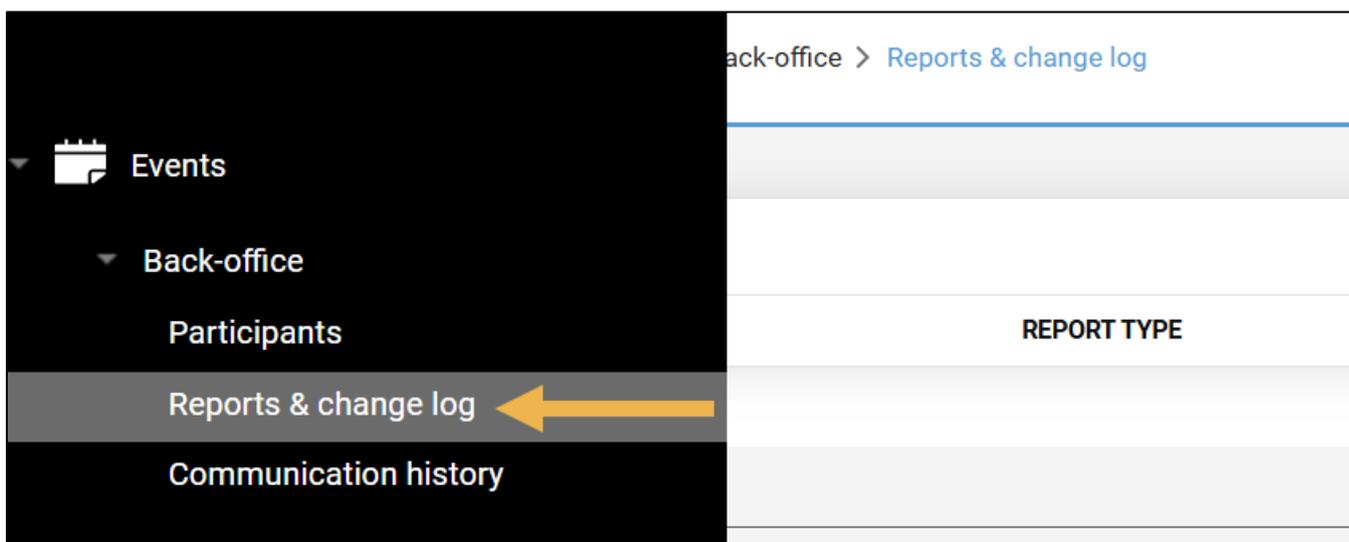

#### 4.2.1 Participants

In this section, you will find an overview of all applicants of the subcategory and organisation(s) for which you are responsible and that have submitted accreditation requests.

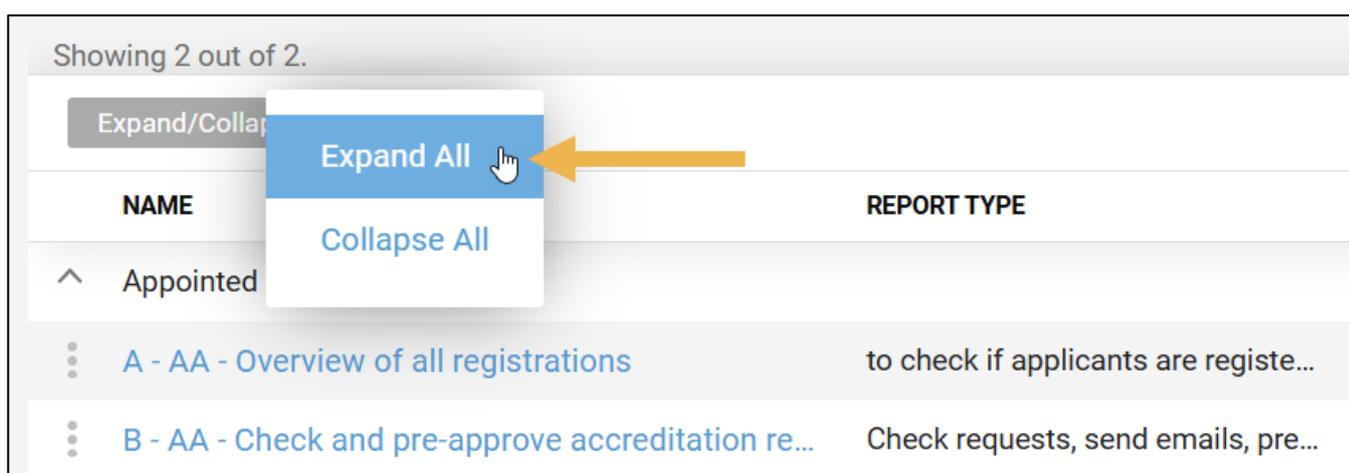

## 4.2.2 Reports & change log

On this landing page, you will find different reports available to you. You will use each of them to perform the various AA tasks of the accreditation process (see chapters 5 & 6).

- Click on “Reports & change log” in the menu.

- Click on the grey “Expand/Collapse” button and select “Expand All” to see all reports available to you in the “Appointed Approver” folder.
- Select the report you want to open.

## 4.3 Report structure

There are different options available to find an applicant or to filter the reports list. It is possible to filter for any combination you need (e.g. use the find header and then add a column filter or use the live search functionality). All the options search across all pages of the report.

### 4.4.1 Find header

Use the Find header when you want to search for one or multiple REG IDs.

- Enter one or several IDs with a coma (e.g. 00919558, 01015132,01117504)
  - Press ENTER or click on “Apply”.
- “Showing x out of x” shows you the number of records that meet your search criteria against the total number of records of the report.
- To clear the search, click on the “Show all (filters)”
  - Or click on “Clear” and then “Apply” to reset the search.

## 4.5 Downloading (export) reports

To download reports:

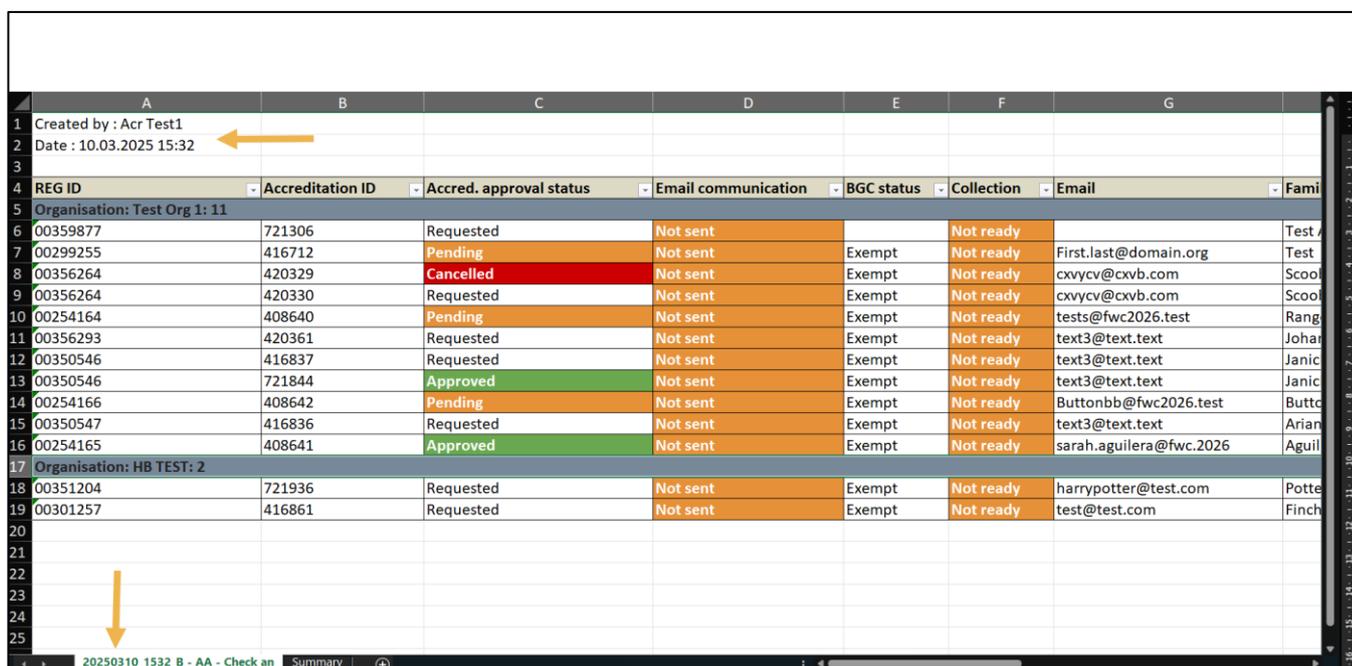

- Open the relevant report.
- Click on the grey “Send to Excel” button to export the full report.

**Note:** Reports with more than 10,000 records might have an additional button called “Send to .csv” to allow you to export heavier reports.

The generated Excel document retains the colours. In the top-left corner of the document, the username and timestamp is displayed to show when the report was exported.

The name of the file will display the date (YYYY-MM-DD format) and time (HH:HH format) of the exported report as well as the name of the report to ease data management.

The screenshot shows an Excel spreadsheet with the following data:

**Note:** All timestamps displayed in the system (including accred logs, communications, and reports) are shown in UTC +0

## 5. Overview of all registrations

Your first task is to monitor the registration process of the ALO(s).

Open Report **A – AA – OVERVIEW OF ALL REGISTRATIONS**.

Appointed Approver

- A - AA - Overview of all registrations to check if applicants are registered
- B - AA - Check and pre-approve accreditation requests Check requests, send emails, pre-app...

The report provides you with an overview of all registrations submitted by the ALO(s) in the ALO portal. There is no action to be taken by you in this report, but it helps you to **monitor the actions** taken by the ALO(s).

### 5.1 Registration status

<span>Select (0)</span> <span>Edit Off</span> <span>Send to Excel</span> <span>Send to CSV</span> <span>Issue accreditation</span> <span>Activate accreditation</span>										
	REGISTRATION STATUS	REGISTRATION CREATION DATE	REG TYPE	DATA VALIDATION	LAST NAME(S), GIVEN NAME(S)	FAMILY NAME(S)/LAST NAME(S)	GIVEN NAME(S)	DATE OF BIRTH	ACCRED. APPROVAL STATUS	SUBCATEGORY

<input type="checkbox"/>	Registered	12.11.2024...	Full registr...	OK	POTTER, Harriette	Potter	Harriette	22.11.1990	Approved	TEST Subcategory

The registration status indicates the status of the registration:

- **Invited:** The ALO has started the invitation process and sent an invitation but the applicant has not yet clicked on the registration link provided in the invitation email.
- **Incomplete:** The ALO has started the invitation process and sent an invitation. The applicant has opened the registration link but not finalised the registration. An automatic reminder to finalise the registration is sent to the applicant 30 minutes after the applicant has left the page. This automation happens only once, so the ALO has to manually send additional reminders if needed.
- **Registered:** The applicant has successfully registered. Only registered applicants are available for you to work on using Report B, detailed in [chapter 6](#) of this manual.
- **Declined:** Either the ALO or the applicant has declined the registration.

## 5.2 REG type

REG ID	REGISTRATION STATUS	REGISTRATION CREATION DATE	REG TYPE		LAST NAME(S), GIVEN NAME(S)	FAMILY NAME(S)/LAST NAME(S)	GIVEN NAME(S)	DATE OF BIRTH	ACCRED. APPROVAL STATUS	SUBCATEGORY
<input type="checkbox"/>	Incomplete	31.01.2025...	Full registr...	←	AMCOY, Roy	Amcoy	Roy	01.02.2021	Requested	TEST Subcategory
<input type="checkbox"/>	Registered	17.05.2025...	Full registr...	OK	ATTICUS, Finch	Atticus	Finch	11.02.2026	Requested	TEST Subcategory
<input type="checkbox"/>	Invited	12.11.2024...	Invitation		JANE, Birkin				Requested	TEST Subcategory

<input type="checkbox"/>	Registered	12.11.2024...	Full registr...	OK	POTTER, Harriette	Potter	Harriette	22.11.1990	Approved	TEST Subcategory

There are two different ways (registration types) for the ALO to register applicants:

- **Invitation process:** After inserting request-related data, the ALO sends invitation emails to the applicant(s) with a personal registration link. It is then the task of the applicant(s) to insert their personal details and to submit their registration.
- **Full registration process:** The ALO inserts or uploads all required request-related data as well as personal details, including photos. There is no involvement in the process for the applicant(s).

For both registration types, the ALO can decide to register applicants one by one (single invitation/full registration) or in bulk (bulk invitation/full registration).

## 5.3 Data validation

REG ID	REGISTRATION STATUS	REGISTRATION CREATION DATE	DATA VALIDATION		LAST NAME(S), GIVEN NAME(S)	FAMILY NAME(S)/LAST NAME(S)	GIVEN NAME(S)	DATE OF BIRTH	ACCRED. APPROVAL STATUS	SUBCATEGORY
<input type="checkbox"/>	Incomplete	31.01.2025...	Full registr...	→	AMCOY, Roy	Amcoy	Roy	01.02.2021	Requested	TEST Subcategory
<input type="checkbox"/>	Registered	17.05.2025...	Full registr...	OK	ATTICUS, Finch	Atticus	Finch	11.02.2026	Requested	TEST Subcategory
<input type="checkbox"/>	Invited	12.11.2024...	Invitation		JANE, Birkin				Requested	TEST Subcategory

<input type="checkbox"/>	Registered	12.11.2024...	Full registr...	OK	POTTER, Harriette	Potter	Harriette	22.11.1990	Approved	TEST Subcategory

The data validation column indicates whether required data is missing in the requests:

- **Empty:** The applicant is not yet fully registered.
- **OK:** All required data has been inserted successfully.
- **Missing data:** A message will be shown to indicate data is missing. Missing data can only occur in the bulk full registration process. For any other registration types, incomplete requests cannot be submitted.

**Note:** Data will only be sent for a background check (if applicable) if there is at least one venue, the registration status is "Registered" AND data validation is "OK".

## 6. Checking requests, sending emails, pre-approving requests and changing accreditation functions

Open Report **B - AA - Check and pre-approve accreditation requests.**

Appointed Approver	
A - AA - Overview of all registrations	to check if applicants are registered
<b>B - AA - Check and pre-approve accreditation requests</b>	Check requests, send emails, pre-approve

This report shows all successfully submitted requests (registration status is “Registered” AND data validation is “OK”). It summarises all data relevant for the accreditation pass, including the privileges, venues and dates of day passes as well as the background check (BGC) status, accreditation approval status, email communication, ALO comment and the collection and printing status of all applicants.

Note: Click on the grey “Send to Excel” button at any time to export the data to Excel for a better overview (see chapter [4.5](#)).

## 6.1 Checking accreditation requests

This step is to make sure that the request details as well as the number of requests per function are correct and as agreed with the ALO.

### 6.1.1 ALO comment field

When submitting requests in the ALO portal, ALOs have the possibility to send you a note linked to a specific record by using the comment field.

Note: If the venues or dates for a day pass are missing, the system will highlight the field in blue.

**REMINDER:** A venue and/or date change can only be processed if the accreditation is not locked (if the accreditation approval status is “Requested” or “Pending”).

**IMPORTANT:** Requests that still have blue fields should never be approved.

## 6.2 Changing the accreditation status

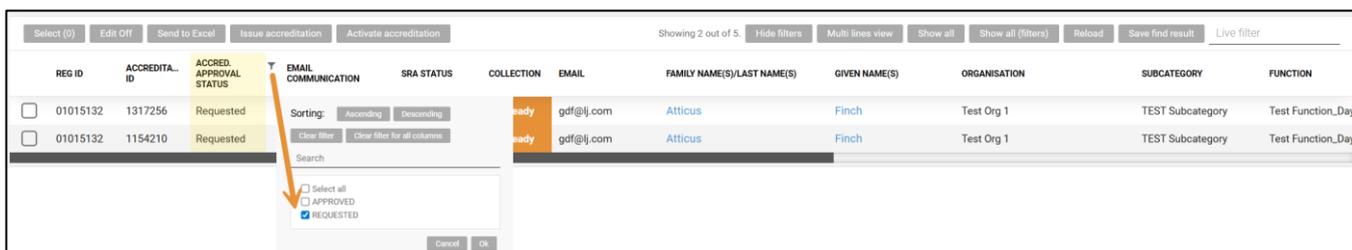

There are several accreditation approval statuses available to you:

- **Requested:** Initial accreditation approval status once a request has been received.
- **Pending:** Status to identify requests for which you need more time or information to make a final decision.
- **Pre-approved:** Status to use when you want to approve requests.
- **Cancelled:** Status to use if an ALO is asking you to cancel a request on their behalf.
- **Rejected:** Status to use to reject a request.

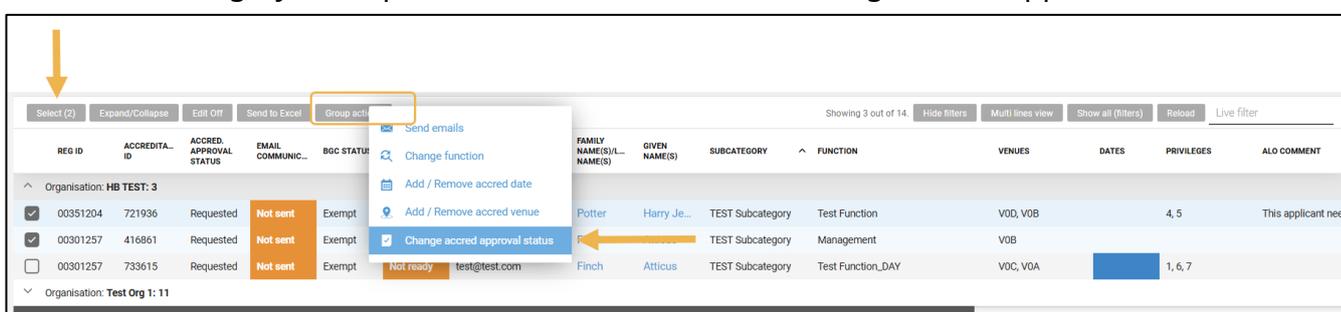

**NOTE:** You will find “Approved” in the drop-down list, but this functionality is disabled. For more details, please refer to chapter [6.4 FIFA/LOC final approval and collection](#).

Use the following steps to update the accreditation approval status of the applicant(s):

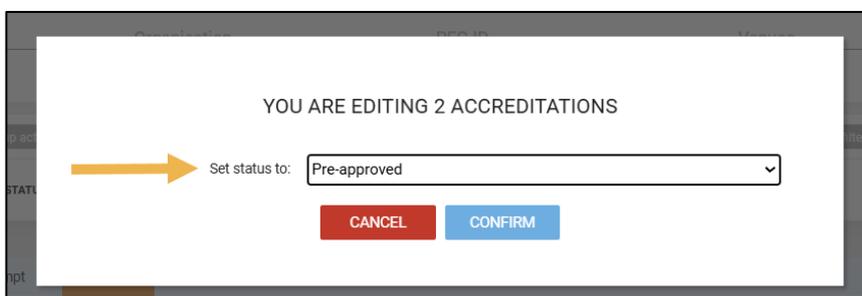

1. Filter the applicants for whom you want to change the accreditation approval status by using the **“Accred. approval status”** column and search for **“Requested”** or **“Pending”**. Use further filters if needed (see [chapter 4.4](#) on how to use filters).

2. Select the applicant(s) by checking the tick box on the left-hand side – either one by one or in bulk by using the grey “Select” button and selecting “All”.
3. Click on the grey “Group actions” button and select “Change accred approval status”.

4. Select the relevant status and click on the “CONFIRM” button:

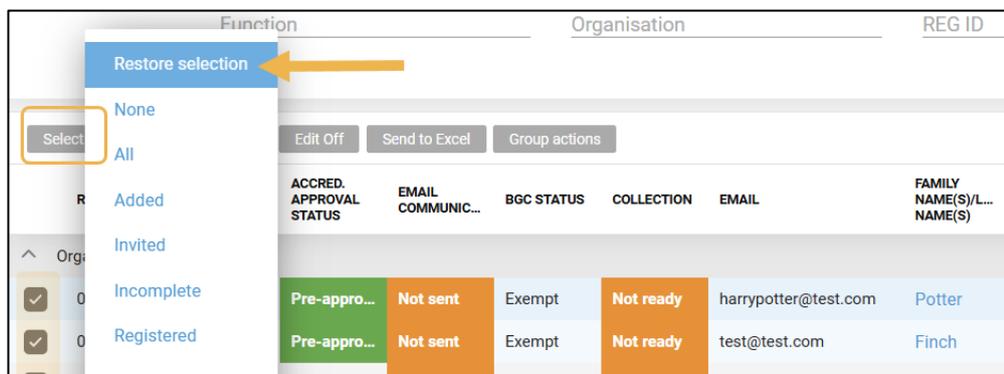

**Important:** Once requests are pre-approved, they become locked and cannot be reverted to a different status. To revert the accreditation approval status, reach out to your contact person from LOC/FIFA Accreditation.

## Restore selection feature

It is possible to re-select the same records that you previously selected by using the “Restore selection” functionality. To proceed, click on the “Select” button and then choose “Restore selection”.

## 6.3 Email communications

To inform applicants about changes to their accreditation approval status, the following emails are available and need to be sent by you. Please refer to the Appendix to preview the content of these emails.

### 6.3.1 Email templates available to AAs

#### a) Approval email (2A\_Approval email)

Once you have successfully checked the accreditation request(s) (see chapters [6.1](#) & [6.2](#)) and changed the accreditation approval status to “Pre-approved”, send this email to inform the applicant that their accreditation request(s) has/have been approved from a functional point of view.

Note:

- This email can be sent at any time when you want to approve a request, without considering the BGC status of the request(s).
- The approval email is a functional approval BUT does not allow applicants to collect their accreditation yet.
- Once the accreditation is ready for collection, FIFA/LOC Accreditation will send a **collection email** to the applicants with information on the accreditation centre locations and opening times. This step is considered as the final approval. The accreditation status will then be changed to “Approved” and the collection status to “Ready”.

#### b) Functional area rejection email (4A1\_Functional area rejection email)

Once you have changed the accreditation approval status to “Rejected”, send this email to inform the applicant that their accreditation request(s) has/have been rejected from a functional point of view.

### c) Cancellation email (5\_Cancellation email)

Once you have changed the accreditation approval status to “Cancelled”, send this email to inform the applicant that their accreditation request(s) has/have been successfully cancelled.

### Email communication columns

Once the emails have been sent, the “Email communication” column will automatically change from “Not sent” to one of the following values: “Approval email sent”, “Rejection email sent”, “BGC rejection email sent” (if applicable) or “Cancellation email sent”:

<input type="button" value="Select (0)"/> <input type="button" value="Edit Off"/> <input type="button" value="Send to Excel"/> <input type="button" value="Issue accreditation"/> <input type="button" value="Activate accreditation"/>

<input type="checkbox"/>	01117504	1258402	Approved	Not sent		Not ready

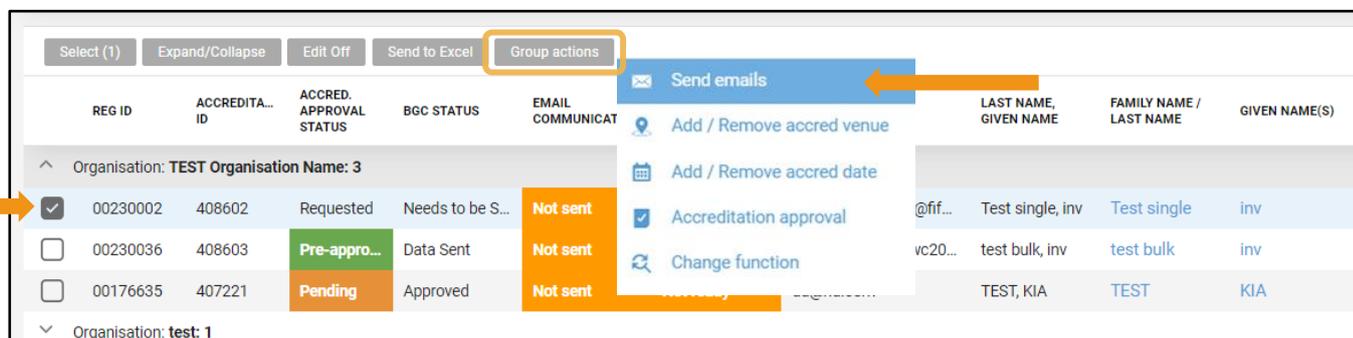

## 6.3.2 Sending emails

Filter the applicants to whom you want to send an email by using the search grid. Search for “Not sent” in the “Email communication” field and click on “Apply”.

<input type="button" value="Select (0)"/> <input type="button" value="Edit Off"/> <input type="button" value="Send to Excel"/> <input type="button" value="Issue accreditation"/> <input type="button" value="Activate accreditation"/>						
REG ID	ACCREDITA... ID	ACCRED. APPROVAL STATUS	EMAIL COMMUNICATION	SRA STATUS	COLLECTION	
<input type="checkbox"/>	01117504	1258402	Pre-approved	Not sent	Not ready	

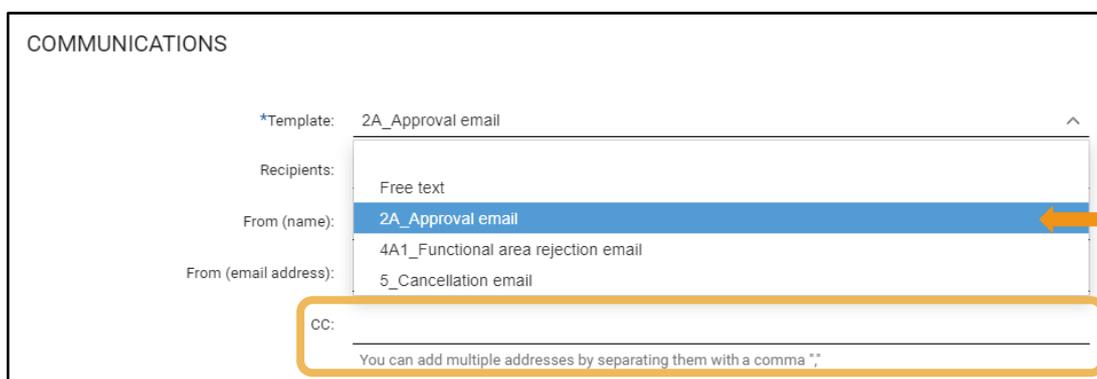

The applicants who have not yet received an email are displayed. Use further filters (e.g. “Accred. approval status” = Pre-approved” and Email communication = “Not sent”).

- Select the applicant(s) by checking the tick box on the left-hand side – either one by one or in bulk by using the grey “Select” button and selecting “All” or “Restore selection” .
- Click on the grey “Group actions” button and select “Send emails”.

The screenshot shows a table with columns: REG ID, ACCREDITA... ID, ACCRED. APPROVAL STATUS, BGC STATUS, EMAIL COMMUNICAT, LAST NAME, GIVEN NAME, FAMILY NAME / LAST NAME, and GIVEN NAME(S). The first row is selected with a checkmark. A 'Group actions' menu is open, showing options like 'Send emails', 'Add / Remove accredited venue', 'Add / Remove accredited date', 'Accreditation approval', and 'Change function'. The 'Send emails' option is highlighted in blue.

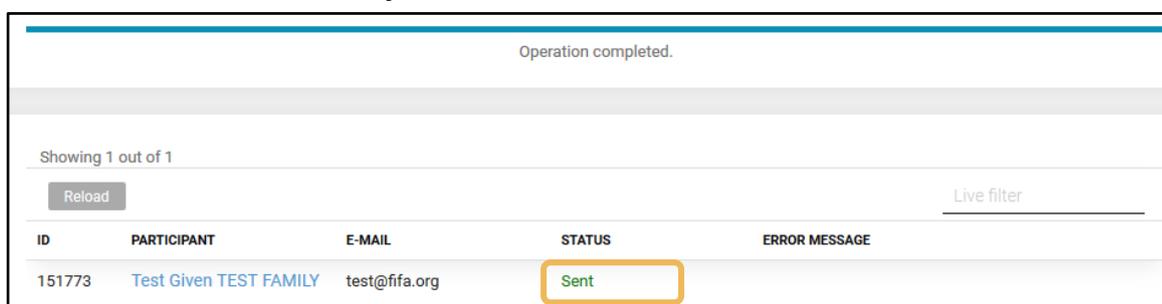

- Select the email template that you wish to use for the applicant(s) from the drop-down list.
- Click on the blue SEND button.

The screenshot shows the 'COMMUNICATIONS' form. The '\*Template:' dropdown is open, showing options: '2A\_Approval email', '4A1\_Functional area rejection email', and '5\_Cancellation email'. The '2A\_Approval email' option is highlighted in blue. The 'Recipients:' field contains 'Free text'. The 'From (name):' field is empty. The 'From (email address):' field is empty. The 'CC:' field is empty and highlighted with an orange box. Below the 'CC:' field, there is a note: 'You can add multiple addresses by separating them with a comma ','.

**Note:** If you want to send a copy of the email(s) to yourself, please add your email address in the “CC” email field:

- The system will update the status from “Preparing to Send to “Sent” when the email(s) has/have been successfully sent.

The screenshot shows a table with columns: ID, PARTICIPANT, E-MAIL, STATUS, and ERROR MESSAGE. The first row has the following data: ID: 151773, PARTICIPANT: Test Given TEST FAMILY, E-MAIL: test@fifa.org, STATUS: Sent (highlighted in green), and ERROR MESSAGE: (empty). Above the table, there is a message: 'Operation completed.' and a 'Showing 1 out of 1' indicator. There are also 'Reload' and 'Live filter' buttons.

- The email communication column will be updated automatically (the update can take up to a couple of minutes).

## 6.4 FIFA/LOC final approval and collection

All requests that have the accreditation approval status **“Pre-approved”** will undergo a final approval by FIFA/LOC Accreditation.

Once completed, the accreditation approval status will be changed by FIFA/LOC Accreditation to **“Approved”**. The requests are now ready to be printed.

FIFA/LOC Accreditation will send out collection emails to inform the applicants that their accreditation is ready to be collected. This email will also contain information about the locations, opening days and times of the accreditation centres.

Once the collection email has been sent, the **“Collection”** field will change from **“Not ready”** to **“Ready”**.
